Combs.**

**Women's Hair**

keep the comb factories run-  
ning. If women all had short  
hair, like the men, we ven-  
ture to say that the comb-  
making business would not be  
the success that it is. We sell  
lots of combs for 5 cents, and  
in a short time there has to  
be a new comb. True, you  
can afford to buy several if  
you buy them at 5 cents, but  
next time ask us to show you  
why some combs are 25 to 30  
while others are only 5 cents.  
There is a reason for it and it  
is easily explained. We keep  
all kinds; we also keep combs  
for men and pocket combs in  
cases.
